## BEM for Barbara

### HONOUR FOR SEATON COMMUNITY STALWART

By Philip Evans  
[philip@pemedial.co.uk](mailto:philip@pemedial.co.uk)

ONE of Seaton's most respected community leaders was awarded the British Empire Medal in the New Year's Honours List.

Octogenarian Barbara Dearden-Potter has committed herself to serving the people of Seaton since moving to the town from Harlow in Essex in 1947.

When she received a letter from the Cabinet Office in November informing her that Prime Minister David Cameron had recommended her to the Queen for the BEM for her services to Seaton, she said she was "completely flummoxed - overwhelmed".

### Seaton man on attempted murder charge

A MAN has been charged with attempted murder following a disturbance at a pub in Seaton on Sunday, January 5th.

A police spokesperson said: "Officers attended the Vault public house at around 6am on Sunday following a call from the ambulance service who were at the scene treating a man who had suffered a stab wound to the chest.

"The victim, a man in his forties, was taken to Royal Devon & Exeter Hospital for treatment. His injuries are not life-threatening."

Raoul East, aged 37, from Seaton was charged with attempted murder and was due to appear before magistrates in Exeter yesterday (Monday).

■ ENCOURAGING BUSINESS: Proposed elevations of the workshops on the old Colyford Road Depot site

## Plans revealed for workshops

PLANS for 21 new workshop units in Colyford Road have gone on display in Seaton Town Hall.

Fourteen workshop units, ranging in size from 50 to 70 square metres, are planned at the former Colyford Road Depot site.

Another seven slightly larger units, at 70 to 84 square metres, are proposed on the Fosseyway Park land to the east of the Lyme Bay Auction Rooms in Harepath Road.

The workshop designs will be submitted for planning permission later this month and, during the

planning process, anyone wishing to comment can do so via the planning section of the East Devon District Council website [www.eastdevon.gov.uk](http://www.eastdevon.gov.uk)

The plans come following East Devon District Council's decision to "support further business growth in Seaton" and is hoped to attract new companies to the area.

The units will be designed to be flexible in the way the space is used and will be suitable for a

## Coronation Cup win for Millwey

THREE goals in a 20-minute purple patch saw Mill-  
wey Rise' first appearance in the Coronation Cup  
final end in triumph as they came from behind to  
beat cup holders and favourites Crewkerne Town 3-  
1 at their own Harry's Field.

Crewkerne took the lead when Rendall found  
winger Crabb whose cross was eventually half-  
cleared. The waiting Rendall drilled the ball home  
low from 20 yards.

A throw-in came back to Lewis who clipped a low  
ball into the heart of the area which the Tigers' back  
line failed to deal with and Nathan Womersley  
capped a final game on the right flank with a neat  
finish to square things up.

But it was Rise who grabbed the crucial second  
goal. Brad-Lee Miller's 81st minute corner was only  
half-cleared to Womersley who smashed home the  
goal of the game from 22 yards.

In desperation the Tigers threw more bodies for-  
ward but the nearest they came was a Spurdle shot  
which almost squirmed under Hall.

The win was sealed in the 85th minute when Miller  
weaved his way into the box before clipping home a  
shot in off the foot of the far post.

Happy new year, happy new cat?

Tigger (no. 2!) is goodnatured, slightly  
podgy and likes attention. Don't we all?

## OTTERY St MARY Council pays out £6,000 in grants

**OTTERY** Town Council has confirmed that more than £6,000 will be handed out to local community groups and organisations under its annual grants scheme, more than double the amount awarded last year.

A total of £6,450 will be donated to 13 groups across the Otter Valley to help them fund projects during the course of the next year. Councillors approved the applications at the town council meeting in December, and the funds will be handed out at the Annual Parish Meeting in April.

A large proportion of the money has been awarded to the Ottery Carnival Committee to support the running of the Tar Barrels and carnival procession. Rising insurance costs have made the traditional carnival events increasingly difficult to organise in recent years, and donations were taken on the Tar Barrels night in November.

Support also continues for Vision OM, the Pixie Day Committee, Ottery Men's Forum, Ottery Twinning Association, Ottery Community Theatre, the Otterregians Over 60s Club and the Tipton Times.

The full list of recipients includes:

- £2,500 to Ottery St Mary Carnival Committee
- £750 to Tipton St John Community Hall (£500 to Computer Group; £250 for Centenary Celebrations)
- £550 to Ottery in Bloom
- £500 to Ottery St Mary United Reformed Church
- £350 to Ottery St Mary Twinning Association
- £350 to Coleridge Memorial Project
- £350 to Tipton St John Residents' Association
- £250 to Pixie Day (Ottery St Mary Joint Guide and Scout Committee)
- £250 to Ottery Community Theatre
- £200 to the Otterregians (Over 60s Club)
- £200 to Vision OM
- £100 to Ottery St Mary Men's Forum
- £100 to Tipton Times

Applications from the King's School, the Busy Otters Pre-School and Ottery Flower Club were rejected by the councillors.

An application made by Ottery St Mary Food and Families Festival was due to be reviewed at the town council meeting on Monday (January 6th).

## From the editor's chair Honour much deserved

**GOOD** news for Seaton as we pass into 2014 – one of the town's most respected community stalwarts received the British Empire Medal in the New Year's Honours List.

When Barbara Dearden-Potter moved to Seaton from Essex in 1947 she threw herself into the community life of her new home and has rarely drawn breath since in working for the benefit of the town and its inhabitants.

The BEM was introduced by Prime Minister David Cameron a couple of years ago to recognise those who work so hard to make their communities a better place to live.

No one fits that bill better than Barbara Dearden-Potter. If we were to list the various charities and community groups she has served with dedication over the last 67 years we would be able to fill the first five pages of *Pulman's View*.

These include Christian Aid, the Red Cross, the Council for Voluntary Service, Seaton Town Council, Seaton Regeneration, Seaton Development Trust and in more recent times Seaton Phoenix.

Mrs Dearden-Potter has been an important cog in all of these, chairing Seaton Town Council for a couple of years in the mid-1990s, and playing a

crucial role in the regeneration of Seaton and the establishment of the Development Trust, of which she is still a director.

Mrs Dearden-Potter knew she had been recommended for the BEM in November and admits to have been "completely flummoxed and overwhelmed" when the letter from the Cabinet Office popped through her letterbox.

Mrs Dearden-Potter experienced the kindness of the people of Seaton when she first moved to the town in difficult circumstances. She believes that kindness shown by others has been constant factor throughout her years in the town and she has dedicated her BEM to all those who work so hard for Seaton.

"I know there are others who have done more than me," she adds modestly.

Barbara Dearden-Potter is a formidable lady, always has been. She likes to get things done. Seaton is justifiably proud of her and her achievements.

◆ **CONGRATULATIONS** must also go to two other residents in *Pulman's Country* – Alison Carnwath and Professor Julia Lingo, who both live in Sidmouth, and were both made Dames in the New Year's Honours List.

## SIDMOUTH Two Dames in New Year Honours

**TWO** Sidmouth women have been included in the New Year Honours List for services to the fields of business and science.

Alison Carnwath, Chairman of Land Securities, and Professor Julia Lingo, Chief Scientist at the Met Office, were both made dames for outstanding contributions in their chosen fields.

Dame Alison, who is the only female chairman of a FTSE 100 company, said: "In an age when trust in big business is scarce, this honour is very welcome – both personally, but also for the values that long-established companies such as Land Securities espouse."

With years of experience in investment banking and corporate finance, Dame Alison took the top job at Land Securities in 2008 after serving on the Board of Directors for four years. She is also a senior adviser to Lexicon Partners and has previously held directorships with J Henry Schroder, Wagg & Co Ltd and Nationwide Building Society.

Professor Lingo received her DBE for services to weather and climate science after a career spanning more than 30 years. She has previously worked as Director for Climate Research at the National Centre for Atmospheric Science and was the Founding Director of the Walker Institute for Climate System Research at the University of Reading.

Dame Julia, who also became the first female president of the Royal Meteorological Society in 2008, is responsible for directing research and development in her current role at the Met Office, which she has held since 2009.

She said: "I'm honoured by this recognition, which acknowledges not just my work but also the excellence of Met Office research and those we partner with around the world."

## AXMINSTER Fears over future of local hospitals

**TOWN** councillor Mervyn Symes fears that a community hospital in East Devon could be "mothballed" by NHS bosses.

There has been an element of unease since plans to reduce the number of day case surgery types at Axminster Hospital surfaced early last year.

But NHS bosses backtracked after attending a stormy public meeting on March 1st last year.

An angry group of 200 people, led by MP Neil Parish, forced a rethink and NHS bosses promised to improve other aspects, including the appointment system, too.

But fears reappeared when the number of beds was cut last year from 18 to 10.

Councillor Symes is part of a local committee, which has met with NHS bosses.

In a letter to *Pulman's View* he wrote: "Since the meeting [on March 1st] I have been involved in the setup of an umbrella committee in conjunction with Axminster Hospital League of Friends.

"We meet regularly and monitor issues arising and patients' concerns with regard to booking appointment levels, bed availability and day case surgeries.

"We continue to monitor this situation, but are very aware that other community hospitals in the surrounding area are also suffering a reduction in bed capacity.

"In my personal opinion, we cannot be too complacent as I fear at some stage one of the local community hospitals could be mothballed."

## HONITON Plans for hotel on Turk's Head site

**HONITON** town councillors are to decide whether to support controversial plans for a Premier Inn to be built at the site of the Turk's Head Lodge, after Whitbread Hotels and Restaurants submitted a planning application to East Devon District Council.

Whitbread, which owns the Premier Inn chain, is proposing to build a 66-bedroom hotel on the site, which would create 25 new jobs for the town, and Premier Inn has already agreed a deal with Yelverton Properties to redevelop the Turk's Head Lodge.

The application also proposes the redevelopment of the nearby Honiton Garage, which could provide a further employment boost.

Members of the town council planning committee are meeting tonight (Tuesday, January 7th) to discuss the proposal and address existing issues with the project. Some have already voiced their concerns regarding potential complications to the already dangerous junction on Exeter Road between Aldi and the Turk's Head Lodge.

Speaking ahead of the meeting, Councillor John Zarczynski, chairman of the planning committee, said: "The Premier Inn application is on the agenda for the meeting and the committee will be looking closely at it.

"The biggest concern that we have as a council is the traffic. The junction is a bit of a problem, especially since the new Aldi store was built. We have looked at the plans already and we will take into consideration the impact of the new hotel on the junction. There is also a quality of air problem there."

The planning committee was presented with the initial proposals at a meeting in September and a public exhibition was held at the Turk's Head Lodge in October.

## SEATON

**PLANS** for 21 new workshop units in Colyford Road have gone on display in Seaton Town Hall.

Fourteen workshop units, ranging in size from 50 to 70 square metres, are planned at the former Colyford Road Depot site.

Another seven slightly larger units, at 70 to 84 square metres, are proposed on the Fosseyway Park land to the east of the Lyme Bay Auction Rooms in Harepath Road.

The workshop designs will be submitted for planning permission later this month and, during the planning process, anyone wishing to comment can do so via the planning section of the East Devon District Council website [www.eastdevon.gov.uk](http://www.eastdevon.gov.uk)

The plans come following East Devon District Council's decision to "support further business growth in Seaton" and is hoped to attract new companies to the area.

The units will be designed to be flexible in the way the space is used and will be suitable for a wide range of light industrial purposes or office based service businesses.

# Safety inspectors to visit Beer after cliff fall

SAFETY officials will be in Beer this week to report on the repercussions from a big cliff fall at the far east end of the beach.

The fall happened early on Thursday (January 2nd) following a period of heavy rainfall culminating in the storm on New Year's Day.

Fortunately no-one was hurt and the area was quickly cordoned off with cones to prevent on-lookers, who were enjoying the beach on a beautiful sunny morning, from getting too close.

"We are waiting for people from East Devon District Council to come down and fence it off properly," said Martin Richards, who is chairman of Beer Parish Council.

"I think they will then have to provide a report and we will then go from there but the main thing is that no-one was hurt. But nothing like this has happened on Beer beach for a long time."

Along the Jurassic coast the cliffs around Sidmouth and the Charmouth area seem to suffer the most regular cliff falls while incidents between Seaton and Branscombe

are mercifully few and far between.

The last major incident in Beer was 13 years ago when a series of cliff falls occurred between January and March 2011 which damaged some beach huts and cafes.

Fortunately no-one was injured on that occasion but it was necessary to close the coastal footpath and parts of the beach to the public.

East Devon District Council eventually agreed to an extensive

stabilisation programme, including extensive reinforcement of the cliffs with rock net, soil mesh and rock bolts, which cost round £300,000

In the area of the latest fall there are no beach huts and signs are in place warning beach users to keep away from the unstable cliffs.

"Some years ago they tried to dynamite it (that section of cliff) but nothing moved," added Councillor Richards.

## Work on new sewer begins this week

SOUTH West Water is investing £126,000 to upgrade the sewerage network in Seaton.

The scheme involves laying 600m of new sewer main in Old Beer Road, Seaton, to transport raw sewage between two sewage pumping stations before it is taken to Seaton Sewage Treatment Works for treatment.

Old Beer Road in Seaton has been closed since July 2012 after heavy rainfall caused a cliff fall and subsequent collapse of the road

and the sewer beneath.

Work was due to start yesterday (January 6th) and will take around 12 weeks to complete.

The remaining section of the road will be closed for the first six weeks of the scheme for the installation of the new sewer main but access will be maintained for local residents. Signed diversions will be in place.

Project manager Andy Young said: "Part of the sewer fell away when the nearby cliff collapsed.

"We installed a temporary sewer pipe above ground to maintain sewerage services but we now need to complete a long-term solution. The new sewer main will be diverted away from the cliff to minimise any future risk of damage during stormy conditions.

"We will be working as quickly as possible to minimise disruption to local residents and road users."

All emergency services and other service providers have been informed.

## 'New Year honour is for all the people of Seaton' says BEM recipient

### ■ FROM PAGE ONE

Mrs Dearden-Potter moved to Seaton to be near her mother who was a nurse at a local nursing home and who lived at Shute.

She soon immersed herself in the community life of Seaton, working as a collector for Christian Aid, and also joining the British Red Cross for whom she became the district welfare officer. She represented the Red Cross on a number of organisations and was secretary of the disablement income group.

Mrs Dearden-Potter was among those instrumental in setting up the Council for Voluntary Service in Seaton which arranged to have a warden in every street in Seaton and which was used as a successful model for setting up the Colyton Link Scheme.

After retiring from full-time employment in 1990, Mrs-Dearden-Potter won a seat on Seaton Town Council, serving until 2003, including a two-year period as chairman in 1995-96.

It was during this time that East Devon District Council and Devon County Council were discussing the regeneration of Seaton but failed to inform Seaton Town Council.

Mrs Dearden-Potter was instructed to find out what was going on and she became an influential member of the Seaton Regeneration Group and went on to become a director of Seaton Development Trust.

In more recent times, Mrs Dearden-Potter has been actively involved in the Seaton Phoenix organisation which has done so much good work supporting worthy causes in and around Seaton in recent years.

Mrs Dearden-Potter said she was "completely flummoxed and overwhelmed" when she was informed that she would be receiving the BEM in the New Year's Honours List.

She said she was dedicating the honour to the "whole of Seaton," adding: "I hope this will help to put Seaton on the map and I know there are so many people in Seaton who have done more than me."

## New workshops will bring more jobs to town

### ◆ FROM PAGE ONE

wide range of light industrial purposes or office based service businesses.

Subject to planning consent and securing funding the workshops could be available for tenants by August 2015.

Anyone interested in one of the workshop units should contact the Estates team at East Devon District Council on 01395 517416 or by email: estates@eastdevon.gov.uk. The level of interest will be used to determine the timetable for development.

Councillor Ian Thomas, Cabinet member for Economy and chairman of Seaton Regeneration Programme Board, said: "This is another example of the increased confidence in Seaton and forms of part of our regeneration programme bringing further investment and jobs to the town."

# Feniton housing inquiry underway

THE appeal super inquiry, which could determine whether more than 200 new homes are to be built in Feniton, gets underway today (Tuesday, January 7th), with villagers expected to attend despite transport difficulties caused by a change of venue.

The inquiry was due to be held at Feniton Bowling Club but was moved to the Flybe Training Academy at Exeter Airport after East Devon District Council decided the original venue was too small.

by Jack Dixon  
j.r.\_dixon@hotmail.com

The change of venue had left many residents concerned that they would be unable to attend the inquiry, but campaigners are confident that their voices will still be heard.

Phillip Major, the government planning inspector, is due to hear appeals from Wainhomes, Feniton Park Ltd and Strategic Land Partnerships.

Between them they are hoping to build 235 new homes, which would increase the size of the village by 40 per cent. East Devon District Council rejected the developers' initial proposals.

Feniton residents are concerned that the additional homes will threaten the infrastructure of the village, in particular its ability to deal with flooding and sewage.

These concerns were highlighted over the Christmas and New Year period as the village endured further bad weather.

Councillor Susie Bond, East Devon District Councillor for Feniton and Buckerrill, said New Year's Day was "a truly awful day in Feniton."

She added: "Water was gushing off the Wainhomes site through the children's play area, through the allotments and risking houses further down the road."

"Sewage was pouring out of the drains on Ottery Road and a resident who called South West Water was apparently told not to use her toilet and to suggest the same to her neighbours."

"Hopefully a picture will be building up of the inadequacies of the foul water network in the village. Feniton has really had enough."

"The sustainability credentials of the village will be thrashed out in front of a plan-

ning inspector who will decide the fate of the village. But those of us who waded through flood-diluted sewage in the village know exactly how sustainable Feniton actually is."

After two months of collecting donations, Feniton Parish Council has managed to raise just over £6,000 to pay for legal representation at the inquiry, which begins at 10am and is expected to last two weeks.

A march in the village to protest against the developments has been organised by local pressure group Fight for Feniton's Future and backed by the East Devon Alliance, and will take place during the inquiry.

Honiton MP Neil Parish has confirmed he will be attending the march, which starts at 10am on Saturday, January 11th.

# Festival has pool fundraising covered

by Anders Larsson  
anders@tindlenews.co.uk

■ COVERED: Flamingo Pool manager Steve Buxton with Axminster Festival committee members Tony Bengier (chairman) and Liz Stonex (treasurer).

THE Flamingo Pool in Axminster is set to cut its monthly gas and electricity bills by 20 per cent each thanks to a new pool cover.

The purchase was made following a £10,000 donation from Axe Vale Festival, which was in addition to a previous one of the same amount, also from Axe Vale Festival.

Continual fundraising efforts from staff, volunteers and friends of the pool in the form of a quiz night, a skittles evening, a coffee morning and a ferret race night have also raised much-needed funds.

Flamingo Pool manager Steve Buxton said: "We would like to thank Axe Vale Festival for the generous donation, without which the purchase of the pool cover would not be possible.

"Axe Vale Festival is a community event and we are grateful to the community for their continuous support.

"The new pool cover

will enable Flamingo Pool to save around 20 per cent on their monthly gas and electricity expenses by reducing temperature loss due to evaporation.

"Additionally it will decrease the energy requirement for fresh air dehumidification resulting in less consumption of gas and electricity.

"Gas and electricity are major costs in running the Flamingo Pool.

"The saving from the installation of a pool cover will enable Flamingo Pool to channel the money saved into supporting the community and providing more services."

Flamingo Pool is a self-funded charity and anyone can come for swimming, aquafit, swimming lessons, life-saving, swimming clubs, family fun, inflatable sessions and training courses.

For more details, call 01297 35800 or e-mail the pool at [info@flamingopool.co.uk](mailto:info@flamingopool.co.uk)

# Young Farmers brave the cold for the RNLI

A GROUP of brave Axminster Young Farmers and friends took to the sea in Seaton for the annual Boxing Day Dip to raise money for the local lifeboats.

Although the day was clear, the waves were rolling in and the sea didn't look very inviting.

Despite this, participants were encouraged by the large cheering

crowd and took to the waves fearlessly.

Sponsorship money was raised beforehand and the very wonderful crowd donated generously on the

day.

Axminster Young Farmers Club charity secretary, Ella Wittridge,

said: "So far the total raised is in excess of £400 and when the final total is reached the cheque will be pre-

sented to the RNLI representative".

The organisers would like to thank those who took part and donated.

# Supermarket sweep

CHRISTMAS came early for one lucky shopper last week when Tesco opened its doors for its festive Trolley Dash challenge.

Margaret Williams, from Combe Raleigh, whose name was drawn from over 700 entrants, raced around the supermarket, collecting £270 worth of items in 60

seconds.

The event, started by the mayor, Councillor David Foster, raised more than £1,300 for Devon Freewheelers, who took £1 from each raffle ticket purchase and topped up their collection tins with donations at the store.

## Give unwanted Christmas gifts a second chance this New Year

THE Cancer Research UK shop in Honiton is asking local people to help stock its shelves this New Year by donating any Christmas presents that do not fit or aren't to people's tastes.

All funds raised by the items will help fund life saving research to help beat cancer sooner.

Relief manager Nick Webster said, "At Christmas we all receive presents that aren't quite what we had in mind.

"Some of us end up hiding these items away, rather than admitting that they were not what we would have chosen.

"By donating them to Cancer Research UK you can help raise money

for a great cause and ease any guilt over an unloved gift – with the bonus of freeing up some room for the January sales!

"And even if Santa brought you everything you wanted for Christmas, you can make room for all your new goodies by clearing out your cupboards of items you no longer want or need.

"Taking time to de-clutter is a sure way to feel fabulous at the start of any season, especially if you know that you're making a donation to Cancer Research UK."

Every contribution helps Cancer Research UK fund life saving research, as well as services such as information nurses who provide

confidential support for anyone with concerns about cancer.

Particularly welcome donations include men's, women's and children's clothing, as well as accessories, including shoes, belts, handbags and jewellery.

Donations of quality homeware are also needed, from cushions and crockery to linens.

Books, CDs, DVDs, as well as mobile phones and used printer cartridges are also welcome.

For further information people can call the Cancer Research UK shop on 01404 44002, or simply bring in their bags of unwanted items to the shop at Unit 4, Lace Walk, Honiton.

## New exhibition at Thelma Hulbert

THE Thelma Hulbert Gallery celebrated the opening of its latest exhibition last month.

It features work produced by a group of adults with learning disabilities in workshops run by local arts-for-health charity Magic Carpet.

The group worked with Honiton author Clive Essame and

sculptor James Lake to create an exhibition of collage and sculpture that illustrates the story of Impisi, a book written by Mr Essame. The artwork is accompanied by a series of five extracts from the book.

Mr Essame said: "Impisi teaches us about prejudice and disability awareness, looking at

how people with disabilities might see themselves and how others see them.

"Working on this exhibition with the Magic Carpet participants has been great – they have really enjoyed the creative experience."

The exhibition runs until February 15th.

# Police tackle speeding in rural areas

SPEEDING vehicles in Newton Poppleford was one of a number of issues highlighted as a public concern during a recent meeting with members of Sidmouth's rural police team.

Police officers held a "Have Your Say Surgery" at the Parish Hall in Newton Poppleford,

where members of the public were given the opportunity to highlight any concerns they may have.

The main concerns identified by members of the public were speeding vehicles speeding in the local area, parking and dog fouling.

In December the rural neighbourhood team

carried out a number of speed monitoring operations, with the main hot spot areas being Sidford High Street, Cotford Road in Sidbury and Exmouth Road in Newton Poppleford.

A number of speeding fines and warnings were issued in relation to speeding and other motor

offences, including the use of mobile phones whilst driving and failure to wear a seat belt.

A police spokesperson said: "We will be continuing to hold similar operations on a regular basis in the New Year. In addition, we are looking at the possibility of setting up a Community Speed-

watch Group in the Sidford High Street.

"We have continued to carry out regular patrols of the car parks in our local beauty spots, checking that valuables have not been left in vehicles and offering advice to members of the public.

"If you have any con-

cerns you would like to discuss with the team, please contact us on 101 or email us at [sidmouth@devonandcornwall.pnn.police.uk](mailto:sidmouth@devonandcornwall.pnn.police.uk). We will also be holding more surgeries in the area over the coming months."

Reported crimes for the rural area in December included three reported crimes in Newton Poppleford, compared to two for the same period last year.

There was one incident of criminal damage to a dwelling, one burglary and one theft.

In 2013 there were 56 reported crimes in Newton Poppleford, compared to 36 in 2012.

The main increases have been in incidents involving criminal damage to motor vehicles, burglaries and incidents involving dogs.

In Sidbury there was one crime in Sidbury in December 2013, the same as the previous year.

The incident was theft from motor vehicle.

There were 18 reported crimes during the year, compared to 15 in 2012.

■ **PROTESTORS** pictured outside David Cameron's Oxfordshire home on New Year's Eve

## Father joins protest outside PM's house

A DAD from Ottery St Mary spent New Year's Eve campaigning for father's rights outside the Oxfordshire home of Prime Minister David Cameron.

Rich West joined five other dad's on New Year's Eve, including one man who has spent two weeks on hunger strike, to highlight the lack of rights afforded to fathers, who are separated from their spouses, with regards to their children.

Mr West said: "We joined Tony Ashby who has been on hunger strike there for the last two weeks trying to speak to the PM about his case. All the cost of this policing overtime could have been avoided if the PM had bothered to speak to him.

"We saw in the New Year outside the PM's house, raised a toast to Tony and all the kids. We even had a free fireworks display courtesy of some of the locals. "Everyone locally has been very supportive and the police have been very accommodating, just wanting to make sure Tony can continue his protest undisturbed.

"As David Cameron has ignored Tony we now plan to take the Demo4Children protests across the country in 2014, which will include Devon.

"All decent parents and grandparents have inalienable rights to share in the care and upbringing of their children and grandchildren, and the breaking of the bond between child and parent is a grotesque travesty of natural justice."

# Tractor run raises more than £700 for charity

A NEW Year's Eve tractor run raised £775.77 for the Teenage Cancer Trust.

The two-hour tractor run started and finished in Hawkchurch on the afternoon of New Year's Eve, with 26 entries - up from 12 last year - touring the country lanes of the Axe Valley and Marshwood Vale.

Having completed the run, drivers enjoyed food and refreshments

courtesy of Rick Woodham at the Old Inn in Hawkchurch.

This is the second year the run has been held, and organiser Lydia Humblesmith said she would like to make it an annual event if interest continues to grow.

Lydia would like to thank Mr Woodham at the Old Inn, Mike Bartlett and her husband Daniel for their support.

## Choir entertains hotel lunch club

THE Fairwater Head Hotel, based in Hawkchurch near Axminster, recently invited the Axe Valley Community College choir to visit the hotel and sing a selection of their favourite Christmas Carols.

This was the second year in a row that they were invited and the feeling is that the choir gets better each year. The choir performed to 35 members of

the Fairwater Head Lunch Club, who enjoyed a turkey lunch while listening to the carols.

Adam Southwell, co-owner of the hotel, said: "They were absolutely enchanting. I don't know how they do it, but they seem to get better each year. I'd like to thank everyone involved at the community college for making this such a great event."

## Dance raises £900 for Hawkchurch causes

A FUNDRAISING dance held in Hawkchurch Village Hall with music by family band "Gen Gap" was extremely well supported.

The organisers would like to thank everyone for their help, generosity and

for giving the evening a great atmosphere.

A grand total of £900 was split between Hawkchurch Village Hall and Hawkchurch Ladies Club.

# Development policies having devastating effect on local area

■ DISAPPOINTINGLY, last month the Conservatives at Devon County Council voted en bloc against the motion proposing to protest to the government about the loose planning rules and the havoc they are causing locally.

The motion was proposed by Lib Dem, Councillor Julian Brazil and seconded by me.

I told councillors about the National Planning Policy Framework's (NPPF) ambiguous position on traffic - that the effect must be "severe" before any application can be refused. But there is no definition of "severe".

I read out a statement by The King's School headteacher, Faith Jarrett, who is extremely worried that the catchment area of the school will gradually reduce, as a result of all the housing being built locally, over and above allocations in East Devon District Council's local plan.

Councillor Brazil asked for a recorded vote - so how each councillor voted would be on file. But the Conservatives voted, once again en bloc, against a recorded vote!

And so we lost. But I have a feeling that the NPPF

will really make its presence felt in East Devon, in the year.

Last month a major appeal inquiry took place for about 170 houses on the green wedge between Seaton and Colyford... and then the Feniton triple inquiry appeal for 230 houses starts early in January.

I will continue to campaign against the aggressive pro-development national planning rules and the devastating effect that they are having on our countryside and services.

Thank you very much if you did write to your councillor about this issue.

I hope that many of you will now write your MP about the chaos that the government has created. We are relying on Mr Parish and Mr Swire to represent our views to their senior colleagues at Westminster.

## Council not to blame for lack of lights

■ I SEE no reason why the mayor or town council of Honiton should accept criticism for the lack of Christmas lights, published on *The Midweek Herald* front page, December 18th.

The prime responsibility for lighting the commercial centre of Honiton is surely that of the businesses which occupy it, not hard-hit council taxpayers who are already facing cuts in essential services.

As for a "collective effort", many local residents already make a special effort to decorate their own homes. Is it too much to ask that businesses do like-

wise? Some of the worst culprits are not local businesses but the multiple stores that take the biggest profit and can most afford to make an effort once a year.

We all know who these Scrooge-like stores are and if the council cannot persuade them, consumers have the power to make them modify their behaviour.

**TONY SIMPSON,**  
*Ashleigh Road, Honiton*

## Residents can ask any question at council

■ I REFER to your report on the front page of Tuesday, December 17th regarding the Seaton Town Council meeting and Seaton's madam chairman stating that Sidmouth and Chard councils had to have prior notice of any questions from members of the public.

Well, Mr Editor, someone is not being totally truthful or you were incorrect taking the report of the

meeting. If one looks at the websites of these towns it clearly states a resident may ask any question at the full council meeting subject to the question being something concerning the town.

**ELISABETH ALCORN,**

## 'Good Samaritans' on train station

■ I AM writing to thank the lovely young men who were waiting for the Exeter train on Friday, December 27th who rushed to our aid.

I was waiting with my friend and her 92-year-old father for the train to take them back to London after spending Christmas with me. There were numerous announcements saying that the train had been delayed due to bad weather, which was to be expected.

The train was delayed by about half an hour and was due to arrive on platform one. As the train was looming into sight there was a sudden announcement that the train would be arriving on platform two instead.

My friend had her own suitcase, plus a rucksack and bag of presents. I had her father's case, but as I am recovering from a cracked rib was only pulling the case on wheels and not antici-

pating carrying it anywhere, and her father has to use a mobility trolley to walk.

We honestly didn't think we were going to make it over the footbridge to the train on time. Our "Good Samaritans" leapt into action, running over the footbridge to delay the train and helping with bags, etc. My friends got on the train and told me that they were very well looked after.

On my return to platform one I did thank the group of young men, but I wanted to thank them publicly for their kindness and to wish them a very happy New Year.

## Pink Hippo Day Nursery & Pre-school is celebrating its 5th birthday today!

THE Pink Hippo team has overcome many obstacles to become the successful setting they are today. They have been helped along the way by many people, including significant help in 2010 from Jim Knight (EDDC councillor) and Kerry Thorne (Early Years & Childcare Advisor) who put their professional skills into enabling a move to purpose built premises in Scalwell Lane in 2011.

Since the move Pink Hippo has been rated 'Outstanding' in their Ofsted inspection .... "Children play in a stimulating environment where they are very happy, and there is a happy

buzz of activity, songs and laughter throughout the nursery."

Sue & Debby said: "As we celebrate our 5th birthday we would like to take this opportunity to thank everyone who has supported us since our small beginnings on the former Lyme Bay Holiday Village site. From where we started to where we are today, would not have been possible without the continued help, support and friendships we have developed with our wonderful children, their families and our fantastic staff. We are looking forward to what the future holds for us - here's to the next 5 years!"

With NIGEL SPELLER

GREETINGS to all our readers for the New Year 2014. With Christmas over, church worship will re-assume its regular pattern and, as ever, churches will offer a warm welcome at services, details of which will be found on church notice boards.

The churches at Ottery St Mary report that some of their members are joining Lee Solman on January 18th in a walk from Seaton to Exmouth in aid of Hope for Justice, a charity which works to rescue and restore victims of human trafficking and to assist in the prosecution of offenders. Details can be found at lydiasolman@hotmail.co.uk – gifts and sponsorship would be welcome.

Food banks in our local towns will be opening again after the Christmas pause and those who have enjoyed plenty are asked to think of those who have gone without.

This column reports from time to time of churches overseas linked with those back in the UK, who rely greatly on financial help from home parishes. The four main links overseas with the Anglican Diocese of Exeter are with churches in Northern France, with the Diocese of Cyprus and the Gulf, with the Diocese of Thika in mainland East Africa, and the Church of Melanesia, which was "planted" by a Bishop from Devon 100 years ago.

The Cyprus and Gulf church congregations are the source of an annual supply of Palm Crosses for Devon

churches. From January 2014 Exeter DBF will handle donations, etc. sent for churches in Cyprus and the Gulf. Enquiries regarding Palm Crosses to 01803 390 392.

Anglican Clergy from Exeter Diocese meet requests for help from the Cyprus/Gulf Chaplaincies and currently the Reverend John Davies, one time Team Vicar at Littleham with Exmouth, has been serving as locum chaplain at St Andrew's Kyrenia, where they celebrated their centenary in 2013 with Bishop Michael and many local representatives. Their new priest to fill the vacancy is due early in 2014.

For those looking for notes on regular Bible readings, such as available in the Bible Reading Fellowship Notes, of various editions, and now ready are New Daylight, Guidelines, and Day by Day with God. Bible reading notes are also in apps for iPad and iPhone.

And of course Fairtrade Fortnight is fast approaching - February 24th to March 9th - and this year it is a special campaign to Make Bananas Fair. Schools are asked to celebrate bananas as well as focus on changes that are needed so that millions more banana growers can get a fairer deal for their hard work.

Find out more about the campaign now, and how schools can help. Do remember schools who have no such campaign. A Fairtrade Fortnight Schools Pack will also be available in the New Year from the online shop and a school that already has the Fairtrade Award or is working towards it should receive one in the post.

## Women's Institutes ROUND UP

### KILMINGTON

KILMINGTON WI were visited by Stuart Dowle of Quikkes Cheeses at their December meeting.

The guest speaker told members about all the different cheeses Quikkes makes. He started as a shepherd with 1,000 sheep but, after a short while, it was decided to give up sheep and farm cows and pigs. Mr Dowle was given a choice of a job in the dairy, redundancy or promoting cheese and he chose the latter, ending up with a very large sales area. He also promoted at shows and fairs.

The company make cheese five days a week, with the head cheese maker starting at 4.30am with pasteurisation. Various processes, which are very labour intensive, follow and the cheese is eventually put into

moulds lined with muslin and briefly dipped in brine to form a rind. The cheeses are sold worldwide with a big market in Australia.

The ladies then enjoyed a tasting session, with mature, extra mature and smoked cheddar being on offer, and were also able to buy samples.

The competition was won by Christine, who also won the Flower of the Month competition.

Resolutions for the annual general meeting were discussed. Kilminster WI celebrates its 80th birthday in January and arrangements for that were also discussed.

The next meeting is on January 9th, where Lyme Regis harbourmaster Grahame Forshaw will be speaking.

## Legion ladies celebrate Christmas

THE Axminster Women's Section of the Royal British Legion met in the Senior Citizens Rooms for a Christmas party recently and were joined by members from Uplyme Women's Section.

During the Exhortation, the chairman reminded members that many of the Armed Forces would be spending Christmas in Afghanistan, away from their families. This would, hopefully, be the last Christmas they would be separated.

President Audrey Lanchbery attended with her daughter, Jean, and granddaughter, Debbie, before they returned to Buckinghamshire and new member Joan Pepper from Minster Court also came along.

Much merriment and laughter was the order of the day with a Christmas quiz, followed by homemade

food and cakes, accompanied by non-alcoholic beverages.

The chairman gave a vote of thanks to Jane Bastin for organising the very enjoyable Christmas lunch earlier in December.

Members were informed that the January and February meetings had been altered from 7.30pm to 2.30pm on the second Friday of each month, a precaution against the winter weather, reverting to the usual time from March.

The committee wished members a very happy Christmas and New Year, plus the many people in Axminster who have supported the Royal British Legion throughout the year.

### Lindy Parry Podiatrist/Chiropodist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

### Slimming World

## Cara is full of life and feeling flab-u-less

**CARA**, 25 mum of two, has shed a staggering 5 1/2 stone with Slimming World in less than a year.

Cara exclaimed 'I feel fabulous'. After struggling with her weight for nearly ten years, she had found a way to eat, never be hungry and to lose weight at the same time.

At her heaviest Cara weighed sixteen stone. After having her

second baby she realised that something needed to be done about her ever increasing weight.

Cara found it hard to be able to run around after her two children or even just to walk up the stairs without getting short of breath.

At her lowest Cara felt like hiding away and rarely went out.

Cara says 'Moving back to Devon from Derby after having my first son, I was scared to bump into anyone that I may have known for fear that I would be judged on my weight'. Since starting Slimming world Cara has a new lease of life with her young family and even her husband has lost two stone. Making her first step into group was the hardest but

the best choice Cara has made.

'I was nervous about walking into that initial meeting, but the welcome I received from the consultant and members was overwhelming and by far the best decision I have ever made'.

Cara claims nothing is off limits with Slimming World, She still eats chocolate daily and the family favourite for dinner is lamb curry and poppadums.

Cara says she owes all her success to Dawn her consultant and her fellow group members.

Cara now runs her own slimming World group at Littleham community hall on Wednesdays at 7.30pm.

Cara says 'Visitors should expect a warm welcome and to become part of a supportive community with no judgement'. For more information please contact

Cara on 07766112734 or email [caraslimmingworld@gmail.com](mailto:caraslimmingworld@gmail.com)

## Ten top tips to help you look & feel your best this year!

TO help get you started on those small but meaningful changes, here are 10 fast and easy health and beauty resolutions - little things you can do to positively change the way you feel - and the way you look - in 2014! Try one - or all ten - and you'll see the difference before spring!

**1. Never go to bed wearing make-up.** No matter how tired you are, no matter how late it is, take just two minutes to slather on and tissue off a facial cleanser and your skin will thank you. Not only will it help remove surface bacteria that could encourage breakouts, most make up is drying to the skin so removing it will help reduce wrinkling while you sleep. If you can squeeze in 30 more seconds for a quick application of moisturiser, you'll see a definite difference in your face in 7 days or less!

**2. Never leave the house without sunscreen on your face.** I know...you've heard it all before. But I promise you that taking this two minute step will not only yield enormous health benefits (like reducing your risk of skin cancer) it's also the single most important anti aging skin care step you can take. It's true - the sun IS the number one cause of wrinkles and aging skin. And sunscreen - well it's the biggest gun in your wrinkle defense arsenal! To make using it easy and automatic, look for either a moisturiser or a foundation with an SPF 15.

**3. Protect your lips - and look younger!** Protect your pucker with a lip gloss or balm containing sunscreen. When lips are hydrated and protected they will automatically look fuller - and you'll look younger! You can capitalise on the protection if you swap out a matte lipstick for a high wattage gloss in a medium warm pink tone.

**4. Whiten your teeth.** If you haven't done it yet, this is the one resolution you MUST try! Not only is it the quickest, most inexpensive way to take years off your appearance, it can boost your confidence and give you that polished, well groomed look.

**5. Clean out your make-up bag/ bathroom drawer/ vanity - and throw away any products you've had more than a year.** Not only can this help prevent potentially serious eye or skin infections, it will force you to re-evaluate your make up needs - and every woman needs to do that at least once a year! When you head out to the stores to buy items, step out of the box to try a new colour or a new make up product

**6. Keep up with your hair colouring.** If you're wearing a shade you just can't bear to change, make sure you touch up those roots every 4 weeks. If the time - or the expense - doesn't permit that kind of attention, then think about having your hair professionally highlighted and low lighted - a mixture of many shades and tones of basic colors like honey blonde, or chestnut brown. The look lasts for up to six months without a touch up.

**7. Trade in your shower gel for a moisturising bar of soap.** Did you ever wonder why the ingredients label on your shower

gel is two inches long and filled with chemical terms you can't pronounce - while the ingredients on an average bar of beauty soap is just one sentence? Most gels contain chemicals, dyes, foaming agents, and lots of drying alcohol - all things your skin doesn't need. Try a daily shower with a moisturising soap instead - and see your entire body complexion come alive in just 14 days or less. And - you'll save money too!

**8. Wear a bronzer all year long.** Most women think of a powder bronzer as a summertime treat. Just a quick pouf of powder on the bridge of your nose, the tops of your cheeks, and round the outer rim of your forehead will give you a glow.

**9. Take a calcium/vitamin D supplement every day.** While many women believe calcium is only important if you're pregnant - or post menopausal - the truth is women of all ages need this vital mineral to maintain a strong and healthy skeleton - and protect against broken bones. What you may

not realise: Studies show women in their 20's need this protection as much as women in their 50's! But that's not all! The latest research shows getting adequate calcium may also help keep skin looking younger longer! And since we're all staying out the sun, the vitamin D is essential to make sure the calcium you take is absorbed. Try it for a month - you'll see a difference!

**10. Wear fragrance every day!** Even if you're just spending the day doing laundry or cleaning the bathroom, studies show that wearing your favourite fragrance is a great way to lift your mood and keep energy levels high. Starting your day with a dousing of fragrance will also make you feel special - and that can affect how you act and react during the entire day. If you can't afford to use your favourite pricey designer fragrance every day, look for scented body lotions or anoint your pulse points with a fragrant bath oil.

## Health & Well Being

### Try My Massage

**MASSAGE** is a hands-on, holistic method of health care.

Massage therapists use hands-on techniques on the muscles, fascia, tendons, ligaments and joints to bring relief from everyday aches, reduce stress, increase relaxation, address feelings of anxiety and tension, and aid general wellness.

Massage therapy also treats specific physical and medical conditions by releasing muscle tension, restoring muscle and postural balance, increasing circulation and improving tissue nutrition.

Therapeutic massage can effectively treat long term chronic pain, motor vehicle accident rehabilitation, athletic injuries, repetitive strain injuries and nerve impingements.

It can also be used in support of other therapies to assist in the rehabilitation of muscular injuries i.e.

massage can improve the effectiveness and comfort level of chiropractic or physiotherapy care.

Massage can also be an important part of a preventative maintenance program. For long term health, consider a maintenance plan of monthly treatments. This approach works well when you are at a level of health that you want to maintain. The monthly massages take care of minor aches before they become painful problems.

The Hydrotherapy Pool incorporates underwater pressure jets creating a 'jacuzzi' effect which provides therapeutic effects as well as giving necessary resistance to exercise.

The warm water – helps relieve pain and induces muscle relaxation; – increases buoyancy, giving greater range of movement; can create resistance to build muscle strength; -benefits: orthopaedic; neurological; general joint problems, osteoarthritis, rheumatoid arthritis; neck and back disorders; stress; sports injuries and physically or mentally disabled. Ask your doctor if you could benefit from this unique facility.

# Kate wins college award

By Kevin  
Fahey

BEER teenager Kate Vine is celebrating a very special award from Sidmouth College.

The 16-year-old was presented with the Pinney Cup for the best overall GCSE exam results from last year's Year 11 students and received her prize at the recent awards ceremony.

"I got 15 GCSEs in total," said a delighted Kate.

That is a tremendous achievement in its own right without even taking into account that Kate is also a keen sportswoman competing for Axe Valley Runners and representing Devon in numerous school athletics events.

"I am not sure how I get the time, I guess I have become more organised!" added Kate.

Among the other winners were Seaton's Sasha Cottam, who won the Drama award.

Pictured right is Kate with her award.

THE Gateway in Seaton welcomes in the New Year with a varied selection of shows throughout January.

CinemaLive and Digital Theatre are thrilled to present the acclaimed revival of Stephen Sondheim's *Merrily We Roll Along* from London's West End, and The Gateway in Seaton will be screening the performance.

Triple Olivier Award-winner Maria Friedman makes her thrilling directorial debut with this vibrant, full scale production and exceptional cast led by Mark Umbers, Jenna Russell and Damian Humbley.

Set over three decades in the entertainment business *Merrily We Roll Along* charts the relationship between three close friends Franklin, Mary and Charley.

Travelling backwards in time, this powerful and moving story features some of Stephen Sondheim's most beautiful songs including 'Good Thing Going', 'Not a Day Goes By' and 'Old Friends'.

*Merrily We Roll Along* was captured during the productions final performances at the West End's Harold Pinter Theatre, which followed a sell-out run at the Menier Chocolate Factory.

Tickets for *Merrily We Roll Along* at Seaton's Gateway on Wednesday, January 15th, cost £12.50 in advance, or £15 on door, and are available from The Gateway Box Office on 01297 625699.

Inspired by the famous jewellers of New York's Fifth Avenue, Bolshoi Ballet's performance of *Jewels* is a tribute to women, and to the cities of Paris, New York and

St Petersburg.

Choreographed in 1967 in New York City, this ballet, with its jewel-like costumes, celebrates the three cities and three dance schools that forged the elegance, aesthetic and style of choreographer George Balanchine. Emeralds was conceived as a poetic tribute to the French romantic school and Rubies to the American tradition of Broadway musicals, while Diamonds honours the virtuosity of classical Russian dance.

The Gateway in Seaton will be streaming the performance of *Jewels* on Sunday, January 19th. Doors open 3pm, with the performance starting at 4pm. Tickets, costing £15 in advance or £17.50 on the door, are available from the Town Hall box by calling 01297 625699.

*Joey the Lips* gigs are performed as a 'Show', rather than solely a rendition of the music. The band enjoys it that way and hope that comes across to their audiences. It's now a huge 17 years 'on the road' during which the band has played over 1000 gigs throughout the UK and Europe across a huge variety of venues. From TV chat shows to headlining to a 10,000 audience at music festivals. From being booked to support Girls Aloud and Will Young, to performing at the British Formula 1 Grand Prix at Silverstone in 2011, and at celebrity weddings, most recently for Eamonn Holmes and Ruth Langford.

After forming in 1994 the band was soon booked for a spot on tour with American soul legend Edwin Starr followed by release of

their debut album *Soul Fiction* in 1997. In 2000 the band performed a Live medley on national BBC1 with Atomic Kitten and Martine McCutcheon for Children in Need. In 2001 they were resident band on Carlton TV's 'Langford Late' TV show - a series of eight chat shows with Ruth Langford. In between the band performed and recorded a promotional video for the BBC on the set of Noel Edmonds House Party at BBC Television Centre, London, and then finished work on a number of projects including a recording of *Midnight Hour* with another American soulster, Geno Washington.

Other guests who've joined the band on stage include Tony Hadley of Spandau Ballet, and M People/Eurythmics/Lisa Stansfield saxophonist Snake Davis. International appearances include gigs in various European countries including a 3 day appearance at the Guinness Jazz/Music Festival in Cork, Ireland in 1999 and 2002. The bands' latest CD - 'Firing On All Cylinders' features 16 live tracks and this release brought them the accolade of 'Artist of The Month' at Virgin Megastore, Plymouth. In November 2005 BBC1 again commissioned the band to appear live on TV for Children in Need. More recently the band have been booked to support Girls Aloud and in 2010 perform as support act for Will Young.

Joey The Lips will perform at The Gateway on Saturday, January 25th.

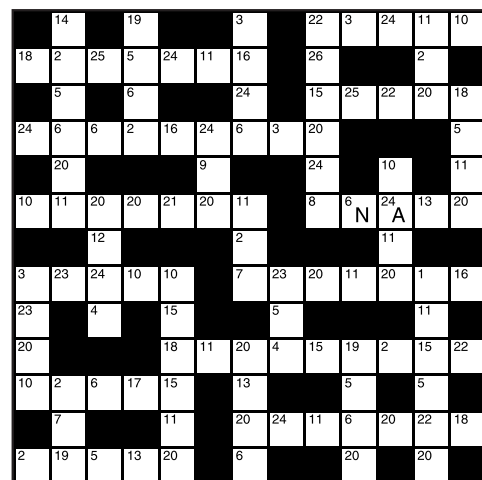

Tickets cost £12 in advance, or £15 on door, and are available from The Gateway Box Office on 01297 625699.

## THE TEESIDE TROUBADOUR VIN GARBUTT COMES TO THE MARINE THEATRE

POWERFUL, hugely moving, warm, humane, inspired, funny and gut-wrenchingly honest. These are just some of the superlatives used to describe Vin Garbutt's performance. An elder statesman of folk, Vin's career has spanned over 40 years of constant world-wide touring. His songs are inspired by the folk tradition, but have transformed into gritty social comment and life observations. He is renowned for his hilarious intros, but for him his song lyrics are the crux of his performance.

"Vin cuts through the bull, grasping those he meets firmly by the hand and shaking them up with a dose of laughter and tears. It's a true gift to be able to make us laugh and squirm at the same time, but Vin does both. He should be prescribed on the National Health." *English Folk Dance & Song Society*

Vin Garbutt plays at the Marine Theatre on Saturday, January 18th. Doors open 7.45pm, with music from 8.30pm. Tickets £14 full price, or £13 concessions, and are available online at [www.marinetheatre.com](http://www.marinetheatre.com) or by calling 01297 442138.

## I'm late, I'm late for a very important date!

Colyton Theatre Group to perform *Alice in Blunderland* panto

YOU may remember way back in June last year Colyton Theatre Group told you about their wardrobe ladies (Kathy, Margo and Wendy) being heavily involved making costumes for their production of *Lord Arthur Savile's Crime*, a production which was very well received, and deservedly so. Well, they're at it again but this time for a completely different production.

It's panto time again (Oh yes it is!) but the costumes couldn't be more different – gone are the elegant gowns and hairstyles, and in are garish colours and over the top outfits. The Panto is "*Alice In Blunderland*" with its usual characters.

The Group have a Brigadier as the White Rabbit and a Hippy as the Cheshire Cat, a "Camp" Executioner and a few more odd characters. There are six little bunnies and this has proved to be one of the most challenging outfits to make. Wendy has had to Hoover her carpets more than usual because of all the white 'fur' and has spent quite a lot of her time sneezing with fluff getting up her nose! What one does for amateur dramatics! So, when you come to see the production and go "Aah" when the little bunnies appear, spare a thought for Wendy (she is appearing on stage as well, so has also had to learn words and songs!).

The production is from Wednesday, January 15th

through to Saturday, January 18th, with a matinee on the 18th. Evening performances start at 7.30pm, with a matinee at 2.30pm. Please the advert below for box office details, or if you require further information please phone 01297 442856.

## AUDITION FOR PATRICK DENNIS, AGED 10

LYME Regis Operatic Society is looking for a 10 year old star to front the musical "Mame" to be performed at the Marine Theatre from May 13th - 17th 2014.

The society is to present this comic musical by Jerry Herman which is based on the famous story of an orphaned boy who goes to live with his eccentric Auntie Mame.

LR0S needs a couple of youngsters to play 10 year old Patrick who is the central character of the show which is set at the end of the 1920's. Patrick has been orphaned and is brought to New York by his chaperone, Agnes Gooch, so that he can live with

his sole remaining relative - his Auntie Mame. She turns out to be quite different to what was expected as her apartment is alive with constant parties peopled by all sorts of characters.

The story follows Mame's various attempts to get a job (after the Wall Street Crash wipes her out) and, eventually, her marriage to rich southerner, Beau Burnside. Patrick is central to all the hilarious situations in Act One. The successful actor/s would be expected to stay to appear at the end of the show as Patrick's son, Peter, the story having moved on twenty years or so to the end of the 1940's. Appropriate profes-

sional coaching will be given to the successful candidates.

Boys and Girls who can pass as a 10 year old boy are invited to come along for auditions on Tuesday 21st January at St. Michael's Church Hall at 7.30pm. Please bring a song you know well to sing on your own (Patrick has some solo as well as ensemble work). Don't forget to bring a copy of the song/music for the pianist and be prepared to do some elementary dancing as instructed.

To get further information and to register interest, please contact Society Secretary Mrs. Jean Wellings on 01297 443382.

## Welsh Indians appear in Never Never Land

◆ HOW! Hunt 'M' High and Hunt 'M' Low helping Wendy with her chores

ONE thing you might not expect to encounter in Peter Pan are Indians with Welsh accents but this is exactly what you find in Axminster Drama Clubs version of this classic tale as after all this is Peter Pan The Pantomime!

Stuck with all the washing to do following a food fight between the Lost Children, her brothers, and of course Peter Pan, Wendy (played by Mattie Taylor) soon receives help from an unusual source thanks to two comic Indians in the form of regular Axminster performers Eileen Stuart and Caroline Markham, before being kidnapped by pirates and taken to Captain Hook's ship.

Members of Axminster Drama Club are currently busy putting the final touches to all that is needed to make Peter Pan and Tinkerbell fly, a magical lost children den and a fearsome Captain Hook's ship. Not to mention all the many and varied costumes which will enhance the fantastic sets, plus a scary Crocodile and a manic parrot.

Tickets are now on sale at Archway Bookshop, Church Street, Axminster and a reduction is offered for all tickets brought before each performance. The performance dates are Thursday 16th to Saturday 18th January with a matinee on the Saturday. A donation is being made to Great Ormond Street Hospital for sick children for use of the Peter Pan name and the script has been written by the Leat Family who are also heavily involved in directing and producing the show.

## Through the looking glass 2014

by Mark Goodenough/Pennys Fine and Country

AFTER years of average performance since 2008, it was 2013 that saw the Seaton and East Devon property market roar back into life.

According to Halifax prices rose by 7.7% across the country as a whole—but bear in mind this does include the London market so sensible pricing is still a key ingredient to a successful sale.

My view is that with mortgages still historically cheap and interest rates set to remain stable, if you've been putting off a good reason to up sticks, it could be opportune to make 2014 the

year to move on up.

For first time buyers and buyers currently in rented now would appear to be opportune to jump on the housing ladder while there is a good choice of homes available, both brand new and re-sales.

On the subject of new homes, it seems like every small town, or even village, at the moment either has existing 'live' developments or plans in the pipeline to satisfy demand.

Also noticeable are the 'investment-cum-country/coastal-house' buyers prevalent in East

Devon at the moment who will be on the increase as we move towards the classic Spring market.

For a chat regarding all things property Mark can be contacted on 01297 22224 or visit [www.pennys.net](http://www.pennys.net)

## Outstanding customer service key to continued success for local family business

Now entering their 7th year of trading, the partners of Honiton based Red Homes Lettings Steve & Angela report continued success in what has become a very competitive rental market. Despite an influx over the past 2 to 3 years of new start letting agencies together with traditional estate agents now offering a letting service, husband and wife team Steve & Angela have established themselves as one of East Devon's leading independent letting specialists.

"We are a local family run business specialising in the letting and management of residential property in the East Devon area. Our success is largely due to our ability to offer a truly one to one service which recognises the individual needs of our landlord and tenant clients. We never lose sight of the fact that our customers have a choice, so by exceeding our customer's expectations and delivering a superior service every time, we establish long term business relationships which is mutually beneficial."

"Most letting agents will offer a similar service but the difference in competency, professionalism, ethics

and of course cost will vary considerably. We believe in providing a comprehensive service at a fair cost, we do not have expensive high street premises to maintain so can truly offer a very competitive service."

Red Homes Lettings have seen their client base increase month on month as more landlords and tenants appreciate the benefits of dealing with a family run business where customer satisfaction is paramount and a personal one to one service is guaranteed.

So, whether you are considering a tenant find only or a fully managed service why not give Steve and Angela a ring to discuss your requirements and see for yourself why more and more landlords are trusting their properties to Red Homes Lettings.

For more information please telephone 01404 41228 or visit our website [www.redhomes.co.uk](http://www.redhomes.co.uk)

# Capital Gains Tax reforms for second home owners

*Changes come into force on 6th April 2014*

PROPERTY Sharing Expert estate agents urge those with a second home, which they own but have not lived in for a while, to think about selling soon in order to avoid paying Capital Gains Tax. Currently, the length of time an owner who has retained but no longer lives in their previous home, can keep it before incurring Capital Gains Tax is three years. However, the Chancellor recently announced that from 6th April 2014, this will be slashed in half, to 18 months.

The majority of people affected by the new legislation will be those renting out their previous homes, which includes couples who have moved in together but temporarily kept one of their properties; those who have moved into a new home but not sold their last one for family or financial reasons; those who have moved abroad but kept their UK home as a source of rental income or for the option to move back to the UK if they so wish; and those who have relocated for a job but kept their old home should things not work out.

Steve Moir, chairman of the network, which is made up of nearly 80 offices throughout the Westcountry, said: "Those with second homes who haven't lived in that property for a while and intend to sell it should consider putting it on the market sooner rather than later for completion on or before the 5th April, in order to avoid paying the Tax. Also, people who haven't yet made a move that could see them in similar circumstances should consider the new rule when contemplating their options."

Steve continued: "The exact details are yet to be an-

nounced and most UK individuals are entitled to an Annual Exempt Amount. Also, Capital Gains Tax is generally calculated on a time apportionment basis, so depending on personal circumstances, people may not have to pay as much as it would first appear. However, we would advise anyone who is, or is likely to find themselves affected by this change in legislation, to seek advice from a professional tax advisor."

For a free market appraisal without obligation or to discuss any property aspect, contact your local Property Sharing Expert estate agent, Fortnam Smith & Banwell – Seaton on 01297 23939.

## Government backs Smartphone App to pinpoint potholes

DfT pledges cash to enable CTC, the National Cycling Charity to revamp its 'Fill that hole' website and develop a new potholes app. The government has given £30,000 to back the development of an innovative smartphone application to report potholes, Roads Minister Robert Goodwill announced today (24 December 2013). The Department for Transport (DfT) pledged the cash to enable CTC, the National Cycling Charity, to revamp its Fill that hole website and develop a new app compatible with smartphones running Android software.

Over 9 million iPhone users can download the website's current app to report potholed roads to their councils; the new app could boost that figure to over 26 million and is expected to be ready in February, at the start of 'pothole season' when the winter damage to roads is at its greatest.

Roads Minister Robert Goodwill said:

"The government is serious about tackling potholes. At best they are an irritation but at worst they can damage vehicles and pose a serious danger to cyclists. That is why we want people to tell councils where to find them so they can fill them in. This app means more people are going to be able to report potholes more easily."

"Filling potholes in quickly is only one half of the story. Research has also shown a long-term approach to road maintenance, rather than patch and mend, can save councils and taxpayers money and potentially save lives thanks to better road conditions."

CTC originally developed its app for cyclists, who can receive life-changing injuries from accidents caused by potholes, but it is now used by all types of road user, from delivery drivers to motorists concerned about potential damage to their vehicle.

The app sends local authorities up-to-the-minute information about potholes which the council may not otherwise know about, allowing them to identify trouble spots needing action fast. In the past year around £23.8 million was paid in compensation by local authorities across England due to the poor condition of their roads according to the Asphalt Industry Alliance.

The support for the app comes as more local authorities adopt new government guidelines which urge councils to plan extensive maintenance well in advance, rather than years of costly 'patching' as potholes appear – saving the taxpayer money.

The government has provided over £3 billion to authorities in England (excluding London) between 2011/2012 to 2015/2016, plus an additional £200 million in 2011 following the severe winter.

In June, the department announced a further £5.8 billion for local highways maintenance from 2015/2016 to 2020/2021. This equates to around £976 million per year, a funding increase of £163 million a year.

## Today's The Day: New Peugeot 308 now on sale from just £14,495

THE WAIT is over. The critically acclaimed New 308 from Peugeot is officially on sale from today.

The stunning new vehicle – already shortlisted for the prestigious European Car of the Year 2014 award – signals the start of a new era for Peugeot. It will see even greater focus on design-led desirable cars, outstanding environmental performance and best-in-class driving dynamics.

Underlying everything is a determination to bring a new level of quality to the Peugeot ownership experience, including exceptional customer service from Dealers.

Tim Zimmerman, Managing Director of Peugeot UK, commented: "This is a genuinely exciting time to be leading Peugeot. Last year was a huge success for our business, and the arrival of the New 308 – plus a number of other great cars – ensures 2014 will build on that solid foundation."

The New 308 is a Peugeot like no other and at its heart is the innovative Efficient Modular Platform 2 (EMP2). The car is the first new Peugeot to benefit from this advanced architecture, which has incorporated 116 patented technologies.

It has allowed the New 308 to be lighter than ever, up to 140kg compared to the predecessor model. Coupled with eight advanced engines, the result is segment-leading environmental performance. Depending on the model selected, fuel economy can be as high as 91.1mpg with CO2 emissions as low as 82g/km. The New 308 is also an exceptional car to drive thanks to its advanced steering and damping technology.

One of the features which makes the New 308 so de-

sirable is its premium 'i-Cockpit' interior. Driver-focused like nothing else in the segment, and with a notably uncluttered dashboard, it offers one of the most technically advanced touch-screen infotainment systems on any new car. With a large 9.7-inch screen size, this intuitive interface allows the user to control everything from the climate control to the audio system.

The car is also exceptionally practical. The 420-litre boot space with the rear seats upright is the largest in the segment, and supplemented by generous-sized cup holders and storage spaces located around the cabin.

Running costs, particularly for corporate customers, are a key consideration when choosing a car. The good news is that the New Peugeot 308 scores just as highly there as it does everywhere else. The fuel-efficient range of engines means less time spent filling up on forecourts, while the CO2 classifications means low VED road tax bandings.

# Crucial winner from new face Collins

## Storms cut huge swathe through scheduled fixture list

**Saturday, December 28th**  
**NEWTOWN 0 AXMOUTH Utd 1**  
FOLLOWING two weeks of abandonments Axmouth faced a tough away assignment against Newtown on a difficult pitch that made it tough for either side to play flowing football.

In an evenly contested first-half chances were very much at a premium with both sides struggling to create any clear openings and neither keeper had too much to worry them as the half ended in stalemate.

At the re-start Axmouth enjoyed a bit more possession and duly broke the deadlock when Christian Burridge latched onto a through ball and crossed perfectly for Asa Sandman to control and thunder home on the half-volley.

Soon after a fierce Reece Hales appeared destined for the top corner

Only for a flying save from the home keeper to deny the visitors their second.

In the latter stages Newtown then through everything they could in their quest for the equaliser.

But the Axmouth defence stood firm with the centre-back pairing of Joe Berry and Man-of-the-March Mike Challis outstanding as they saw their side home and gain a valuable three points.

Ax's manager Laurie Forino said: "That was a real test following the inactivity of last two weeks, the lads have shown a great team spirit and work ethic which is really pleasing to see."

### ROUND-UP

UNBEATEN Premier Division leaders NEWTOWN headed into 2014 seven points clear of the pack after their emphatic 4-2 victory at CHARD TOWN RESERVES.

Dale O'Donoghue, (2), Ralph Gill and Cory O'Donoghue were Newtown's marksmen with Craig Every and Joe Simmons replying.

SEATON TOWN also won without breaking sweat 4-1 at local rivals BEER ALBION.

Seaton were three goals up when they finally let

Beer in the game but the Seasideers then added a fourth and Beer went flat.

Two-goal Peter Knox, Alex Wheatley and Josh French were on target for Seaton; Mike Wheeler was the Fishermen's scorer.

HEAVITREE UNITED are off the bottom rung for the first time this season thanks to a 1-1 draw at BUDLEIGH SALTERTON.

Dan Gill struck for the Heavies but they were denied victory 15 minutes from time by Matt Lever.

WILLAND ROVERS' 2-0 win against CLYST VALLEY means they are back in touch with mid-table thanks to Aiden Moyle and Dan Hayfield.

First Division leaders ELMORE were held 2-2 by WELLINGTON TOWN despite taking the lead with a Kieran Rapo penalty.

Then after Wellington struck twice, Jesse Howe saved a point for the Eagles with a 2-2 draw.

The only other match played in this division was the basement duel at NEWTON POPPLEFORD where CULLOMPTON RANGERS won 4-0.

James Bedford, Jake Ranger, Dan Kenyon and Egidjus Grinis shared the Rangers goals.

NEWTOWN ST CYRES consolidated third place in Division Two with a 3-1 win against the bottom side PINHOE. Two-goal Phil White and Ashley Hudd were the Cyres scorers.

Jamie Mudge smashed four goals for EXWICK VILLA as they steamrollered COLYTON 7-2.

Toby Tagg, Steve May and an own goal completed the scoring with Aaron Carpinini outstanding.

Rhys Cruwys, Martin Loader (pen) and Thomas Keating scored for Culm and all six goals came in the first 30 minutes.

POTTERY storm on as Division Three pacemakers after their seven-up at OTTERTON ST MARY without reply. Jamie Girton and

Steve Morris both scored twice.

CHAGFORD are into the top half of the table after winning 3-2 against AXMINSTER TOWN. Davon Friend, (2), and Andrew Davis were the scorers.

AXMOUTH UNITED were massively relieved to grab a single goal win at NEWTOWN, a result which takes them nine points clear.

BAMPTON eased their basement worries with a 4-2 win against OKEHAMPTON in the other game.

The eye-catching result of the day goes to COUNTLESS WEAR DYNAMOES who shocked Division Five high-flyers MORCHARD BISHOP 4-0. Shane Tregale hit a hat-trick and an Adrian Lethen one for a Dynamos team missing four regulars.

ST MARTINS also enjoyed an upset, winning 7-0 at LANGDON, with Steve Bassett getting a hat-trick and Kev Pike scoring twice.

FENITON and AMORY PARK RANGERS drew 2-2, home goals from Jamie Brimacombe and Jamie Easterbrook after strikes by Dan Ayre and Dan Black.

Three goals in the last five minutes gave Division Six leaders OTTERTON an unlikely 4-3 win against FLUXTON. Kevin Pitt, (2), Pete Mclean and a Simon Tuley penalty won it for the Otters.

UPLWMAN ATHLETIC regained second spot with a 4-0 win against SILVERTON thanks to a Rob Hanna hat-trick and Dan Horler.

Rob Fleming grabbed a hat-trick and Aaron Sowden scored twice for STOKE HILL as they routed AMORY GREEN ROVERS 7-1.

Stuart Dearnness netted both NEWTON ST CYRES goals in their 2-1 win against OTTERTON ST MARY, and Sam Stockdale scored twice for HALWILL 3-1 winners at EAST BUDLEIGH.

There were six goals scored in each of the three Division Seven matches played which saw a home win for OFFWELL RANGERS, an away win for the RAILWAY CLUB and a 3-3 draw

between CHAGFORD and the MET OFFICE whose Clive Painter, the league's registrations secretary scored an own goal.

Dave Jordan and Paul Penberthy also scored for Chagford, Matt Baker, (2), and Alex Stone replying.

**Saturday, January 4th**  
THE entire **South West Peninsula League Division One (east)** programme was washed out.

Our local duo will have finders firmly crossed for a run-out on Saturday.

Axminster Town entertain Budleigh Salterton while Sidmouth Town head off to Plymstock.

Just one match survived the elements in the **Fresha Devon & Exeter League**, but this saw reigning Premier champions FENITON take the chance to gain ground on their title rivals.

Fenny edged mid-table TOPSHAM TOWN 2-1 but it was far from an easy victory and Topsham manager John Antat felt a little aggrieved not to have taken home a point.

Both teams battled hard but the Christmas break looked to be weighing heavily on the players.

The pitch at Acland Park was perfectly playable despite the rains which had this week flooded the village and at times cut off the roads leading in.

Feniton had much the better of the first half going in front with a Dave O'Connor header and then doubling their lead just before half-time through recent signing Dan Norman with his first goal for the club.

Topsham pegged away in the second-half and eventually scored with a crisp drive from Rian Antat.

However they were denied an equaliser by some excellent keeping from Matt Kingdom.

Fenny manager Mark Kingdom said it was a game they needed to win and the lads did their job which was all he could ask for.

Pick of the side for Feniton was former Tiverton Town star Phil Everett who showed calmness when

needed and was a major influence as Fenny held on to collect the points and climb into third place.

Topsham though their man of the match was Mark Layfield with 18-year-old caretaker keeper Joe Sellick starring in just his second appearance as a minder.

The remaining 50 league matches scheduled were washed out with some games being called off as far back as last Wednesday.

The first to go were the Council pitches in Exeter, and most clubs had put their fixtures off by Friday evening.

Fixtures secretary Chris Cole was unconcerned about the postponements with many teams now well into the second-half of the season.

◆ *League secretary Chris Davey is requesting all clubs who need to contact him urgently to call his mobile 07891 203888 until at least Friday.*

## running news

## Roland in his Pomp!

**HONITON Running Club's** Roland Hall fancied a marathon to set off his Christmas so on Sunday, 22nd December he travelled along the coast to Portsmouth writes JUDY DAVEY.

The beginning of the run started with a torrential downpour which may have pushed the start time forward a few minutes as the runners seemed to start very suddenly.

The first two miles were along the Portsmouth promenade that then led onto the beach for about half a mile.

After this there was a bogged and flooded two-mile trail along the coast to a path which led runners up to the seven-mile marker.

For the next few miles they were on and off road until about 10 miles, then rough stony terrain taking them to the half way point where runners were turned around and looped back the same way home.

Roland reached mile 13 at 1 hour 29 minutes and given the wind was against them on the way home, he felt he did well to maintain his pace.

He thought at one point he was going to achieve under three hours but the wind on the last two miles took its toll and his pace slowed down from seven minute miling to 8:15 meaning he crossed the line in 3:02:44.

This was a fantastic achievement giving him 14th place overall; an incredible personal best time of about half an hour on testing terrain.

On the same day, other Honiton runners stayed in Devon to take part in the 27th Wellington Monument 10k race.

The race is predominantly on-road starting and finishing in Hemyock.

The first couple of miles are uphill before the course flattens out to take runners along a track and around the Monument before coming back along the same route.

Kevin Hawker was first back for Honiton coming 10th in 37:52. He was followed a little way behind by Tom Borneo who finished 53rd in 44:52.

Tim Wigram was next back coming 86th in 48:35 and Steve Briggs was 105th in 50:26. Greg Axsel came 113th in 51:25 and Tony Peek was 147th in 56:34.

Helen Davy was the first of only two ladies back for Honiton coming 168th in 60:33. Wendy Williams was pretty close behind her finishing 177th in 62:46.

There were 199 finishers and the race was won by Phil Burden of Taunton AC in a time of 34:13.

If anyone is interested in trying their legs at running, Paul and Jo Lowman are starting a beginners group on Tuesday, January 7th and will run 10 weekly sessions. This is perfect for getting rid of the excesses of the festive season.

For further information contact Paul or Jo on 01404 43013.

**Axe Valley Runner** Robin Britton ran the Wellington Monument 10k race and reports that it was pretty cold with a fresh breeze, but the shower just before the start let up just in time and there was sunshine for the race writes DAVE MUTTER.

Phil Burden of Taunton AC won comfortably in 34:13 while Robin finished 60th (of 199 finishers) in 46:03, claiming the first V60 prize.

## Tigers tamed as Nat bites twice

BY HOWARD LARCOMBE

## CREWKERNE TOWN 1 MILLWEY RISE 3

(at Millwey Rise - att: 130)

THREE goals in a 20-minute purple patch saw Millwey Rise's first appearance in the Coronation cup final end in triumph as they came from behind to beat cup holders and favourites Crewkerne Town 3-1 at their own Harry's Field.

The first-half was devoid of clear-cut chances with the centre-back pairings of Danny Larcombe/Elliott Dyer and Jason Manley/Paul McCormack controlling the pace of the game.

Early on Richard Crabb looked set to strike early for Crewkerne only to be denied by Rise left-back Haydn Lewis with his first of several crucial defensive block tackles.

In the 38th minute Pete Symes went close with a glancing header from a Jamie Spurdle corner. At the other end Paul McCormack was booked for a foul on Sam Dibling whose resulting free-kick was headed over his own bar by Spurdle.

From the corner Dibling was then narrowly wide with a hooked volley with Dale Wood scrambling in the Tigers' goal.

## Caught cold

After the restart it was ironically the talented Dibling, normally at the heart of the Rise attacking threat, who was instrumental in gifting Crewkerne a quick-fire lead.

The kick-off was rolled back to Dibling who dwelled on the ball and was robbed by Jason Rendall.

Rendall found winger Crabb whose cross was eventually half-cleared to the waiting Rendall who drilled the ball home low from 20 yards giving Ashley Hall no chance.

Dibling was then pushed forward alongside cen-

tre-forward Levi Hoole as Millwey mounted a concerted surge for the equaliser.

Hoole, who was superbly marshaled by the experienced Jason Manley, finally broke free on the hour with a powerful run and sidestep before firing shot wide from the edge of the box.

It mattered not as the equaliser was just four minutes away.

A throw-in came back to Lewis who clipped a low ball into the heart of the area which the Tigers' back line failed to deal with and Nathan Womersley capped a final game on the right flank with a neat finish to square things up.

Crewkerne responded by moving McCormack up into the midfield from his centre-back berth.

They went close to regaining the lead when Adam Dawe's cross from the right found Jamie Spurdle, but

the league's 20-goal top-scorer couldn't keep his first time effort down and the ball sailed over the bar.

But it was Rise who grabbed the crucial second goal. Brad-Lee Miller's 81st minute corner was only half-cleared to Womersley who smashed home the goal of the game from 22 yards.

In desperation the Tigers threw more bodies forward but the nearest they came was a Spurdle shot which almost squirmed under Hall.

The win was sealed in the 85th minute when Miller weaved his way into the box before clipping home a shot in off the foot of the far post.

## running axe valley runners

by Dave Mutter

THE Exeter First Chance 10K was a victim to the horrendous weather conditions of the past week with the start pushed back an hour to allow for the river Exe to drain off the paths a bit.

Even then the race was held in torrential rain and a wicked cross wind. Carol Austin however breezed around to finish 2nd W50, 130th overall out of 465 in 44:01, just four seconds behind the 1st W50.

Jane Calvert made a rare running appearance and did well to beat the hour barrier, finishing 368th in 58:04. Many thanks to South West Road Runners for their organisational skills under such testing conditions.

While most of us were maybe having a lie in on New Year's Day, a few hardy souls thought that a race would be a brilliant start to the New Year and ran the **Chard Flyer 10K**.

A couple of AVR's had a go with James Sibley the first AVR home 22nd in 45:2, very closely followed by Eleanor Wood who was 26th overall and 1st W55 taking 46:34.

After the seasonal excesses you may be inspired to maybe lose a little weight or just get fit. If so why not have a go at running with like-minded people at your local running club?

Axe Valley Runners have a special "Beginner's Group" on Monday and Friday Evenings. No more struggling along by yourself, come and join in a fun, social, friendly, helpful and encouraging running gang.

For more details please contact AVR's beginners leader, Gill Day on 01297 625 078, or email Gill on jonathanday32@aol.com

## Millwey duo star in pick of the league triumph

**Perry Street League 4  
 Weston-super-Mare League 2**  
 THE PSDL successfully booked a place the Mavis Tate cup final with a 4-2 win over the Weston-super-Mare League on the all-weather 3G pitch at Worle FC on Saturday.

A sluggish start from the visitors saw Weston grab a 14th minute lead. But this was cancelled out 10 minutes later when Millwey Rise' Sam Dibbling picked out South Petherton striker Jodie Bovey who lashed the ball into the roof of the net from an acute angle.

Dibbling then edged the PSDL ahead with a stunning 25-yard drive in the 38th minute.

The second-half was midway through when Dibbling struck again – this time with a long-range free-kick that curled around

the defensive wall leaving the home keeper rooted to the spot.

Weston responded well to reduce the arrears to 3-2 in the 77th minute and then bombarded the visitors' goal but the defence stood firm with centre-backs Jason Manley (Crewkerne Town) and Elliot Dyer (Millwey Rise) in commanding form.

At the other end Man-of-the-Match Dibbling went agonizingly close to completing a magnificent hat-trick with yet another long-range thunderbolt that cannoned back off the post.

The scoring was completed four minutes from time when Liam Riste tapped in after good work by substitute and Perry Street FC team mate Dan Collins.

The PSDL manager Karl Diment said: "I had eight or nine unavailable and am grateful to the lads who stepped in a short notice."

The win sets up a repeat of last season's final against the Bridgewater League – the match is set to be played in late March.

**Team:** Rich Phippen (Shepton Beauchamp), Josh Parsons, Jason Manley (both Crewkerne Town), Sam Johnson (Perry Street), Elliot Dyer, Sam Dibbling (both Millwey Rise), Murray Legg (Beaminster), Jason Rendell (Crewkerne Town), Braeden Symes, Liam Riste (both Perry Street), Jody Bovey (South Petherton).

**Subs:** Dan Collins (Perry Street), Gordy Childs, Tom Case, Lee Holt, Karl Diment (all South Petherton).
